DNS and NTP Service

Bob Woolley - 2026-08-27 - [Internet Services Information](#)

Connected Australia

DNS and NTP Service Information

Connected Australia operates a diverse set of DNS and NTP services for our customers to use.

We protect our customer DNS queries using common blocks against reported malicious domains. If you notice a false positive please [report it](#) to our team.

	DNS Servers	NTP Servers
First Server	121.0.0.41	121.0.0.41
Second Server	121.0.3.41	121.0.3.41
